Dinmukhammed Aisauyt

Work Experience

Unnie Box Landing Page

UI WEB DESIGN · CASE STUDY

- Built a complete UI system including components, modals, and interaction flows
- Structured the experience as a conversion-driven journey (learn → trust → purchase)
- Designed 9+ sections and 5 modal flows to guide users seamlessly through the funnel
- Applied strong typography, spacing, and visual hierarchy to create a premium aesthetic
- Developed mobile-first layouts with optimized CTA placement

Avion Furniture Platform

UI WEB DESIGN · E-COMMERCE CASE STUDY

- Designed wireframes, prototypes, and visual designs for mobile and web-based products
- Conducted usability testing and iterated on design solutions based on user feedback
- Collaborated with developers to ensure that designs were accurately implemented and met accessibility standards

CLM Mafia Platform

UI/UX REDESIGN · REAL CLIENT PROJECT

- Delivered 20+ screens with role-based UX (players, admins, clubs)
- Simplified complex navigation and improved overall usability
- Designed a full component-based UI system for scalability
- Transformed outdated interface into a modern, structured product
- Improved readability and hierarchy in data-heavy environments

MSCHF Platform

MSCHF PLATFORM · CASE STUDY

- Created a fully custom UI system aligned with brand identity (yellow/black chaos aesthetic)
- Designed 5+ screens including drops, product pages, and lookbook
- Rebuilt information architecture around drop culture and urgency
- Implemented UX strategies like countdowns, limited badges, and FOMO triggers
- Focused on mobile-first experience for real-world user behavior
